With recent news of Genesee County declaring a State of Emergency and area schools and businesses closing and or having limited service, LeRoy Federal Credit Union has determined it to be in the best interest of our members and employees that we suspend **IN-PERSON TRANSACTIONS** beginning Tuesday, March 17, 2020.

Drive-Thru will remain open with regular business hours at this time and we will be available via phone and or email to provide you with any assistance. These hours are subject to change.

Due to possible drive-thru wait time, you may use the Night Deposit drop box. We will monitor and process transactions several times throughout the day during regular business hours.

ATM is available 24/7.

We will also accept loan applications via our website and phone. Our Loan Officer will schedule appointment times to close loan.

With our online access, you can check balances, transfer funds and make loan payments. To set up www.leroyfcu.org, please call if you should need assistance.

We will continue to monitor this situation and evaluate the need to maintain the status on a daily basis and keep you informed of any changes.

We sincerely apologize for any inconvenience this may cause our members; however, we feel this is in the best interest of our staff first and foremost, our members and the community in which we serve.

Please do your part by following the CDC guide to properly protect yourself and others.
