LeRoy Federal Credit Union

3rd Quarter 2021

“OWNED BY YOU, WORKING FOR YOU.”

For over 60 years, Le Roy Federal Credit Union has been serving our members, bringing them a hometown feel with welcoming customer service and a feeling of control over their finances!

What is International Credit Union (ICU) Day?

- ICU Day has been celebrated on the third Thursday of October since 1948 and is designed to create awareness and celebrate the ways credit unions improve the lives of their members around the world.
- 2021 celebrates 73 years of ICU Day
- This year's theme is: "Building Financial Health For A Brighter Tomorrow." It speaks to how the COVID-19 pandemic continues to challenge the financial well-being of credit union members around the globe, and how we as credit unions are helping members rebuild their lives financially. Due to that type of commitment to members and communities across the world, we have a global credit union movement that is now more than 291 million members strong. They are served by more than 86,000 credit unions in 118 countries.
