## Keep your Year-End Statement for Tax Time

Would you like to get a jump start on filing your 2019 taxes?

Your year-end statement contains important dividend information that you may need for tax purposes. Make sure to keep your year-end statement and any other records in a safe place or sign up for e-Statements to retrieve them online! It is fast and easy!

You will find your interest paid for 2019 on December's 2019 statement for tax reporting if you do not receive a 1098.

- **1099 forms** are only sent out if your savings (Share) interest income is **\$10.00 or more**
- **1098 forms** are only sent out for real estate loans with interest of **\$600.00 or more**

\* Tax return checks with the names of both parties (filed jointly) will need to be deposited into a Joint Account.

\* If you want your tax return to be directly deposited into your account, you'll need to provide your **account #** and our **routing #** when filing.

**Routing # 222381183**

## Supervisory Committee Volunteers Wanted!

Could you spare some time to volunteer on our supervisory committee? There's no special expertise required, except being our member! You must also be approved by the Board of Directors.

The Supervisory Committee is responsible to ensure proper procedures are followed at the Credit Union. You'd come once a month to perform various audits during our business hours and report to the board. No experience is necessary, as you'd be instructed on how to do the audits.

Volunteering is a great way to spend some free time, or looks great on a resume or when trying to advance in a career. It's a rewarding experience that is very helpful to us! Call today if you'd like to volunteer!
